

OMNI EYE SERVICES

Dear Patient,

Welcome to Omni Eye Services. We understand that medical care can be stressful. Our goal is to provide you with the highest quality specialty eye care available and to ensure that your visit with us is as pleasant and comfortable as possible.

In order to expedite your visit and decrease your wait time, we ask that you complete the forms in the Patient Registration section and bring them in the day of your appointment. Any incomplete forms will be returned to you for completion which may increase your wait time.

1. Patient Registration
2. History and Physical
3. Payment Policy
4. PHI & Pharmacy

You will need to bring the following items:

1. Your insurance cards
2. Referral/precertification from your primary medical doctor (not your optometrist) if required by your insurance company. We are not authorized to provide care without this referral.

You will also be expected to pay your co-payment at the time of service. We are glad to accept cash, check, Visa, Mastercard, or Discover. Patients with no insurance will be required to pay in full at the time services are rendered.

Please arrive 15 minutes prior to your scheduled appointment time. You will be given a comprehensive specialty exam which may require your eyes to be dilated. You should plan on staying between 2-3 hours. If you have to cancel or reschedule your appointment, we ask that you kindly give us 24-hour notice. We look forward to serving all of your specialty and surgical eye care needs.

Please do not hesitate to call the office should you have any questions or concerns.

Sincerely,
Omni Patient Support Team

Please provide us with your email address and ask our receptionist about our Patient Portal.
